

**STATEMENT FROM
THE CHURCH OF ENGLAND
Church House, Westminster**

COVID-19

The Church continues to be alive and active, but our buildings must close.

We are seeing a huge increase in the number of people falling sick with COVID-19. We must distance ourselves from one another and prevent the spread of infection in order to save lives.

Therefore, as well as public worship being suspended, this and all church buildings in the Church of England are now closed.

Our worship of God and our care for each other continue but cannot be done in this building.

Our website contains details of how to join others online for prayer, worship, study, and community life.
