

St John the Baptist Church, Shedfield

COVID-19

Following the Prime Minister's announcement of a third national lockdown, for the time being the church building is closed for private prayer and for public worship.

This part of Hampshire is experiencing a large increase in the number of people falling sick with COVID-19. We must distance ourselves from one another and take every precaution as we play our part in preventing the spread of infection in order to save lives and relieve the pressure on the National Health Service.

Please visit the church website for the latest parish and national church guidance.

Our website has details of how to join others online for prayer, worship, study and community life. See www.stjohnthebaptistshedfield.org.uk

In an emergency please telephone Adrian Jordan, Churchwarden, on 01489 890 007.
